Just Between Us

Well, the day has arrived! I remember thinking this 34 years ago when I started preaching for this congregation on September 30, 1990! Well, the day has arrived again, but this time, it's my last day to serve this wonderful congregation as your minister. Wow! Where did time go? Those who were children then are now parents with their own children. It seems so long ago that a 32-year-old minister and his wife and children moved to his city, never imagining their labors would continue for 34 years. I can only be grateful to God and the host of people who have been part of this church family. You have become my family!

As I come to the end of this chapter in my life, before I turn my attention to God's plans for the future, it seems fitting to take a moment to reflect on how God has been working in us to accomplish HIS will!

Over the past 34 years:

- We have lived to see our attendance double. (Two worship services for over 30 years)
- Our contribution increased almost 5 times what it was 34 years ago.
- We doubled the size of our building and recently renovated our auditorium.
- We have tripled the size of our staff. We are blessed with an exceptional staff that we should all be proud of! It has been an honor to work with every staff member over the years, and I am grateful to have worked side-by-side with Matt Dahm for more than 26 years! How often does that happen? Not often. We have always tried to work together as a team.
- We have witnessed more than 800 precious souls confess that Jesus is the Christ the Son of God and be immersed for the forgiveness of sins!
- We have experienced some of the most incredible Vacation Bible Schools—turning the church building into Noah's Ark (twice), the Bible Museum, constructing the Tabernacle in the field, and so many more, always with an emphasis on teaching God's Word!
- This congregation has always been open to new ways to reach our community with the Gospel—Food, Clothing, School Supply giveaways, Friends Days, and our next effort, starting a satellite church in Bucyrus.
- Through the years, you have supported mission trips to California, Georgia, Alaska, Tennessee, Mississippi, and Louisiana, as well as mission efforts in Tanzania and Cuba.

While these are a sampling of the many good works we have been involved in over the past 34 years, the common denominator has been to bring glory to God!

God is good, and His mercy has continued throughout all generations. We dare not look back, let down, or slow up! May the goal of this great church continue to be what it always has been: to be faithful and fervent, to be a family of believers in love with God and one another!

As I end my work with this congregation today as your minister, all I can say is, "Thank you from the bottom of my heart for loving me and my family with unconditional love!" Remember, God loves you, and so do I!
