# Children's Ministry

Hi Kids!

I know it makes me sound like the old guy who rambles on with nothing real to say, but I'm going to have to talk about the weather. I can't help it! I just love it when it finally gets warm out! I can feel you getting bored reading this already. If it would help it to be less boring, you can read the rest of the article in a raspy "old-man" voice.

Hey, you whippersnappers! Get off my lawn! One of my favorite things about Spring is that we finally get to have some open windows in the house! After breathing the same re-circulated air for months, it will be such a relief to feel some fresh air inside! This will be especially helpful this year at the Hoggatt house because we have had a lot of sickness in our house this winter! In fact, there is still some sickness hanging on around here and with many others in the church. So, I would like to ask each of you to be praying for good health to return to our congregation. James 5:16 reminds us to "pray for one another so that you may be healed. The effective prayer of a righteous man can accomplish much." It could be just a little snuffle or something much more serious, but there is no prayer too small to bring to God! I hope you all have a great week! That wasn't too much "old man" talk, was it? Now, if I start writing about gas mileage or comparing the high-fiber cereals that I eat every day at 5:15am precisely, you have permission to kick me out of the youth group!

Talk to you soon!

-Ryan

PS – Congratulations to the Bible Discovery students who got perfect attendance in March: **Paul Gary, John Gary, Violet Gary, Madalyn Lewis, Ember Patterson, RJ Patterson, Joey Patterson, Liam Rossiter, Ela Rossiter, Silas and Xian!** Great job, guys!
