WHILE SUPPLIES LAST

As I write this article, I am reflecting on our VBS program, which is about to come to a close for another summer. What a successful VBS this has been. VBS is not just for children, but for adults as well.

VBS did not come together in a few weeks, but after several months of planning. Our VBS planning committee met and discussed themes, staff, roles, teachers, biblical lessons, themed skits, and finding a minister for our Adult classes. Many behind-the-scenes aspects are often taken for granted, such as Whitney, our Church Secretary, and Rosie, our Church Custodian. It certainly takes a “Church”, not a few, to come together and pull this VBS off. Thanks to all the many volunteers who served in many different areas. We could not have done this without you. Also, thanks to Ben Driver for well-prepared adult lessons each night.

VBS brings children, families, and the community together for four days of fun, learning, and spiritual growth. VBS also teaches the importance of social skills, where friendships are made, and thinking and learning skills. It is important that we foster a strong Christian foundation in our children’s lives. We hope that everyone found this VBS an unforgettable journey of faith and fun. But let us not stop there. Let us help continue their faith journey for the sake of our children. Let us all continue toward our faith journey to heaven as well. Please encourage and love one another. We are all a “work” in progress.
